Call to Order

The meeting was called to order by the Bishop at about 10:37 a.m. with a brief discussion of the question: "How can we facilitate peace (shalom) in our contexts?"

- have we lost the quiet and unlocked church?
- need peace within to show peace to the outside
- we represent the Church when we go outside
- when we see the Church, do we see the institution instead of Jesus?

Professor David Bell, recently appointed Chancellor, was welcomed.

Thanks to Clyde Spinney and Brent Theriault was requested to be noted in the minutes.

Regrets from members R. Barrett and R. Kingston and guest Leo Martin were noted.

MOTION 7: I. Adams / W. Williams

That effective January 1, 2015, the Diocese discontinue subsidization of individual Blue Cross Prescription Drug Plans to eligible retired clergy/widows/widowers; and FURTHER that the premiums for that Manulife Retired Clergy Benefit Plan be adjusted to 75% Diocese and 25% Plan Members, effective the same date.

MOTION 7: Carried.

MOTION 8: W. Williams / S. Craft

That Diocesan Council adopt Regulation 4-4 "Diocesan Safe Church," to promote the mission of the church by providing a safe and effective working, learning and spiritual environment.

Discussion:

- A question regarding the definition of "assault." The definition is from provincial legislation and a result of legal counsel sought.
- A question about the definition of a "child." The definition is provincially determined.

When the question on Motion 8 was called,
MOTION 8: Carried unanimously.

MOTION 9: W. Williams / J. McKenna

That Diocesan Council rescind the current diocesan Policy B-3 Sexual Misconduct Policy and Procedure and adopt the "Diocesan Misconduct Policy" as circulated and presented, to protect all members of the church community and, in particular, children, youth and vulnerable adults from misconduct in a church setting.

Discussion:

- Might we expect to see increased use of the protocols with the increase in scope? Unknown at this time but it will be monitored.
- Is it appropriate for the Diocesan Council to appoint the "misconduct officer?" Is in accordance with other "officers" of the Synod and removes the Bishop from being personally responsible for the work of the misconduct officer.
- Is there some indication of who the misconduct officer might be? Not at this time. The "Sexual Misconduct Officer" has most recently been the Secretary of Synod.
- Is the title "misconduct officer" the best one? "Conduct officer?" "Safe church officer?" The term is used in regulations of the Ecclesiastical Province of Canada. This officer will be specifically handling "mis" conduct. Human Resource Committee is requested to give further consideration to the title.

When the question was called,
MOTION 9 was carried unanimously.

MOTION 8: T. Fetter / G. Hall

That Regulation 4-4 section 3(1) be modified to include the Corporation of Christ Church Cathedral and its members.

Discussion:

- The motion is a matter of consistency as parishes and Christ Church Cathedral are routinely named as unique corporate entities in diocesan legislation, beginning with the Anglican Church Act, 2003.
- Would there not be a more comprehensive way to deal with the reality that our cathedral is not identified as a parish in diocesan legal terms. Possibly, but beyond the scope of the today's meeting. We might refer the matter to the Chancellor and Constitution and Canons for consideration.

The question being called,
MOTION 8: was carried unanimously.

PWRDF

Diocesan co-ordinator Anne Walling provided an extensive update on the involvement of PWRDF with the current Ebola virus crisis and encouraged donations to PWRDF designated for this purpose.

MOTION 9: J. Knight / J. McKenna

That Diocesan Council approve the engagement of Murdock – Boyd Architects to complete the development of Construction Drawings for the renovation of Cathedral Memorial Hall (as the next step in fulfilling the direction of Council from the June 19, 2014 meeting).

MOTION 9: Carried.

MOTION 10: J. Knight / G. Carter

That Diocesan Council directs the Joint Committee to develop a detailed Financial Plan for the completion of the renovations for presentation to the Finance Committee, through the Diocesan Property Subcommittee, at their next meeting.

Discussion:

- Does funding to be realized from Anglican House enter into this planning. No decisions have been made in that regard.

MOTION 10: Carried.

MOTION 11: J. Knight / G. Carter

That Diocesan Council directs the Joint Committee to develop a Memorandum of Understanding (MOU) that will govern the construction period and the ongoing operations of the renovated Hall for presentation to the Finance Committee, through the Diocesan Property Subcommittee, at their next meeting.

Discussion:

- Should the Diocesan Council expect reports as to the outcome of the financial plan and the MOU process? Yes.
- a detailing of operational savings will also be part of the financial planning and for clear communication purposes.

MOTION 11: Carried.

MOTION 12: J. Knight / A. Walling

That Diocesan Council directs that the Joint Committee proceed with the development of additional parking in the area of the Cathedral and the Hall as part of this project.

MOTION 12: Carried.
